

FROM OUR CHRISTIAN BROTHER IN AUSTRALIA

Brother Leo lives in a beachfront community in Australia where they have a 'floating' population so that his witnessing tracts are always 'fresh'. He has numerous opportunities to speak to the many young backpackers from around the world as they wait for their next coaches to take them along their way. Brother Leo reflects on the fact that attitudes are changing among those he encounters. While some are still receptive to the Light of G-d's Word many are no longer interested and turn down the tracts offered them.

He witnesses locally every morning to those to whom the L-rd guides him and the then brings them before the L-rd afterward in prayer.

As a result of his regular, determined witness, the L-rd has opened many doors to Brother Leo. His ministry always bears fruit in the hearts of those that receive him. He says his greatest joy is that he will be able to see all those to whom he has witnessed rejoicing in the L-rd forever and ever [in Eternity].

The times that are going to be after this time are going to be very terrible. The Powers of Darkness that are going to take control of the world for a period of time, times, and half the time will perform so many frightful things that the world has never seen before.

During this time, many supernatural occurrences will take place. The sun will lose its brightness and the moon will shine in red. Those things have been foretold in the Scriptures: Jeremiah 6:19, Ezekiel 39:1-16, Joel 2:31. I am writing those things as the Lord reveals them to me.

In those days, very many who do not know our precious Lord Jesus as their Savior will come to Him and forsake all that they have and receive Him as their Lord. They will be purified and made white. They will walk under His guidance through this terrible time.

A Word From The Land Down Under

Written by Victoria Radin

Many who are not strong in faith will forsake their former conduct and side with the Powers of Darkness. [Although] they will have a more pleasant time while the Powers of Darkness are in control of this earth, they will [eventually] dwell with the Devil in Eternal Damnation in Hell.

I am writing these things so that you would realize the seriousness of the time that will soon be here.—Leo Roosipuu
